---

## SUMMARY

---

Dedicated engineering learner. Leveraged my networking skills to secure free access to 3D printing labs at Dhahran Techno Valley. Engineered a peanut butter mixer, won 2<sup>nd</sup> and \$16,000 in the Industrial Hackathon.

## EDUCATION

---

### Bachelor of Science in Computer Engineering

May 2027

*Purdue University, West Lafayette, IN*

- GPA: 3.65 Honors & Dean's List
- Social Media Officer at Saudi Student Association.

### Certificate of Completion – Foundation Year Program

Jun 2023

*North Carolina State University, Raleigh, NC*

- Customized high school-college bridging program, focusing on test prep and college-level classes.

## ENGINEERING & FINANCIAL EXPERIENCES

---

### Tamasuk Al-Rajhi Family Investment Office – Riyadh, KSA

Jul 2023 – Aug 2023

*Investment Analyst Intern – Private Equity & Venture Capital Dept.*

- Performed due diligence and evaluation for 3 Venture Capital deals: fintech, HR SaaS, and F&B delivery startups. Navigated through 2 IPO prospectuses for the Nomu (parallel) Saudi Stock Market.
- Utilized Bloomberg terminal to create comparative profitability & cash flow Excel sheets.
- Drove data-driven closures from business & revenue models, value propositions, go-to-market strategies.

### Dhahran Techno Valley – College of Petroleum Engineering, Dhahran, KSA

May 2022 – Jun 2022

*Product Development Engineer*

- Improved peanut butter mixer mix-ability and fluid drag; pitched for CEO & COO of Contemporary Foods Company. Participated and won 2<sup>nd</sup> in the 2022 Industrial Hackathon vs. 2500 competitors at 17 years of age.
- Awarded \$16,000, sponsorship from Saudi Made, and access to “NUSAND Tamayouz” exclusive entrepreneurial program. Endorsed by the Chairman & CEO of the Saudi Industrial Development Fund.

### North Carolina State University – Raleigh, North Carolina

Sept 2022 – Jun 2023

*Chief Financial Officer of LevelUpHub website & Financial Analyst*

- Created validated business & revenue models (for a bridge website between players across all gaming consoles). Sent pricing surveys for 100 pre-order customers. Pitched the project in my entrepreneurship class.
- Analyzed Apple (AAPL) and Tesla's (TSLA) Yahoo Finance stock data from 2000 to 2023 for opening, closing, and volume values. Implemented forecasting and regression models through Excel and Tableau.

## AWARDS & HONORS

---

### Recipient – KAUST Gifted Student Program (KGSP) Scholarship

Aug 2022 – Present

- KGSP is a prestigious scholarship awarded by the King Abdullah University of Science & Technology (KAUST) to a select group of Saudi students, allowing them to pursue undergraduate degrees in STEM fields in the US and return to KAUST to complete their graduate studies

## EXTRACURRICULAR ACTIVITIES

---

### Founder, Dailyreminders Initiative, Riyadh, KSA

Mar 2021 – Present

- Founded Dailyreminders initiative. Designed career-oriented and test guides Instagram posts. Interviewed experts. Benefitted +1500 students.

### Social Media Officer, Purdue Saudi Student Association, West Lafayette, USA

Jan 2024 – Present

- Introduced a new identity inspired by Saudi cultural pictures, patterns, and colors

### Community Volunteer, City of Raleigh Municipal Government, Raleigh, North Carolina

Feb 2023 – Jun 2023

- Helped mulch 130 cubic yards at Pullen Park to enrich the soil.
  - Managed a children's Arts and crafts booth at Flannels & Frost winter activity at Moore Square.
-
